

# THE CASEY KEY ASSOCIATION

**December 26, 2009**

**Dear Members,**

**The annual meeting of the Casey Key Association will be held January 28, 2010 at 5:30 PM at the Osprey Inn, 1660 South Tamiami Trail (formerly the Ramada). The meeting agenda is enclosed. At the bottom of the agenda is a proxy form for you to complete and return if you are not able to attend the meeting.**

**While the major business items of election of officers and directors for the coming year and approval of the 2010 budget will take place, the fundamental format of this year's annual meeting will change from that of past years in that rather than oral reports by every association committee chairman we will provide written reports at the meeting and on our website. This is so that we can provide ample time and opportunity for open discussion among all of us on two topics of critical importance to us – safety and private property rights.**

**I hope that everyone will participate in a free and open exchange of ideas and concerns aimed at determining our direction in dealing with these critical issues to us all.**

**In addition an overview of the Board's proposed priorities and focus for 2010 will be presented for discussion.**

**As in the past, wine and cheese will be served. We hope that everyone will take advantage of the opportunity to exchange ideas on the issues facing us.**

**Please remember that your 2010 dues must be paid in order to vote and participate in the meeting.**

**On behalf of CKA Board, Deborah and myself our best wishes to all for a happy and healthy New Year.**

**Best regards,**

**Mike Turillo, President  
The Casey Key Association**
